

Pilgrim Village Families Sketch: Hugh Stacy

By Robert Charles Anderson

Birth: Hugh Stacy was most likely born in England.

Death: There is no information about his time or place of death.

Ship: *Fortune*, 1621

Life in England: Nothing is known of his life in England

Life in New England: Hugh Stacy came to Plymouth Colony in November 1621. In the land division of 1623 he received one acre of land, indicating that he had no family with him. His name does not appear in the division of land held in Plymouth Colony in May 1627, so he had either died or left the colony by that time. Some people have identified him as the Hugh Stacy who appeared in Salem in 1639, but the lack of any mention in records between 1623 and 1639 makes this identification unlikely.

Family: There is no information about any family members.
