

Genealogies in Vermont Town Histories, Part Four

By Scott Andrew Bartley

This is the fourth installment in a series of articles about published Vermont town histories containing genealogical sections. These articles will cover all published histories to 2002. The entries below are in alphabetical order by town. Following the citation for each town history is an alphabetical list of all surnames included in the history. A future installment will rearrange the material and provide a comprehensive surname index to all published Vermont town histories that feature a genealogical section.

Previous installments of this series are as follows:

Part one was published June 2002 and covered the towns Albany to Brattleboro. (The introduction of part one summarizes the history of printing in Vermont and identifies a few of the earliest and most notable Vermont town histories.)

Part two was published July 2002 and covered Brookfield to Isle La Motte

Part three was published August 2002 and covered Jamaica to Pittsford

The installment that follows covers the towns Pittsford to Shoreham.
